

## Broferpura at Klimahouse 2022

11/05/2022

We are pleased to inform you that we will be attending at **Klimahouse 2022** in Bolzano where you can touch several news on VMC and sanitization **from 18th to the 21st May 2022**.

Over 36,000 visitors from all over Italy and abroad are expected for the new edition. A rich program of events, with over 150 appointments and excellent speakers, are also provided during the four days.

We look forward to seeing you at our stand:
