Brofer will be present at EnergyMed2023!

21/03/2023

NAPOLI

dal 30/03 al 01/04

padiglione 6 / stand n. 85/87

Brofer will participate in the XIV edition of EnergyMed, the exhibition-conference on Energy Transition and Circular Economy that will take place from March 30th to April 1st, 2023, at the Mostra d'Oltremare in Naples. The event is a reference point for the renewable energy and environmental sustainability landscape in Central and Southern Italy.

At our stand n° 85/87 in pavilion 6, the Brofer team will present the latest innovations in VMC and sanitization, providing innovative solutions for air management in residential and non-residential environments.

We are committed to improving indoor air quality and energy savings through our products, and we share the mission of creating a more sustainable future.

We are at your disposal to answer all your questions and provide you with all the information you need. We look forward to seeing you at EnergyMed!
